What Is the Youth Work Readiness Program?
An exciting opportunity to gain skills to prepare you for success in the workplace, this program will enable young adults to thrive in the current job market and learn skills to succeed in life. We will provide specific strategies and individual feedback to strengthen your efforts to find and keep a job in today’s work climate.

It is hard to find and keep good employment. This training program focuses on building essential interpersonal skills to ensure long-term success in the workplace.

The program includes:
+ Resume and Cover Letter Workshops
+ Practice Interviews
+ Job Search Techniques
+ Networking with Other Job Seekers

Each group will run for three weeks, with two sessions per week, Monday and Wednesday from 3:30 p.m to 5:30 p.m. Refreshments will be served. The first session will start June 18; subsequent sessions will be offered through December.

Eligibility:
- 21 years of age or younger
- Have a mental health diagnosis
